ABOUT ME

I am a passionate programmer. I am enthusiastic to take on new and challenging tasks, this is the way to gain further knowledge. I am skilled in many different programming languages and can adapt to circumstances as a specific task may require. While my educational experience speaks for itself. I also enjoy pursuing the latest topics. I hope to come across a firm which allows me to illustrate my talents within an environment that promotes teamwork and professional growth.

PROGRAMMING SKILLS

EDUCATION

BS Computer Science (3.6 CGPA)
PMAS Arid Agriculture University
